### **Creator / Graphics / Author: D. Cooper Stevenson**

Cooper Stevenson dedicates himself to enabling fulfilling human experiences through the aesthetic use of technology. He lives with his wife, *Deanna* and his two cats, *Tiberius* and *Augustus*.

### **Editor: Peter M.J. Gross**

Peter is an editor and online content specialist who has been entertained by interactive fiction since "*Nord and Bert Couldn't Make Head or Tail of It*." He had to resort to a walkthrough in order to complete *Trinity*, and he could never figure out *A Mind Forever Voyaging*.

# First Article Splash Page

A surreal landscape where a large, open book floats in a cloudy sky. The book's pages are covered in lush green forests and a winding river. Waterfalls cascade from the edges of the book, falling into a pool of water below. Birds are seen flying in the sky around the book.
